Sravana Belagola & Sringeri matts are under the management of Govt, there will be no difficulty as to the source of meeting the cost. But if it so happens that these matts should have to be handed over to the trustees of those matts, the difficulty as to the source presents itself, as also as to the source ~~from~~ which the pensions of the clerks concerned are to be debited.

It is therefore a point for order whether a lump sum may not be debited to the funds of these matts once for all towards the pensionary contribution of the gumastas concerned & the pensions given to them from State funds.

Next, the list mentions two cases of gumastas being given an allowance pending Inam work, viz in the Taluks of Hole Narasipur and Arkalgud. These should probably be omitted from the list unless the quantity & quality of Inam work in the taluks warrants the

In view of the fact that Taluk Sheristas are often sent as Peshkars of large important temples such as the Vanjangud, Melkote, Seringapatam Chamarajnagar & Kulasa temples, it is a point for consideration whether the Peshkari of these temples may not be made pensionable, as well as the Peshkari of the Tonipati charities. If it be considered reasonable to make the services of these hard worked officials pensionable their designations will have to be brought on to the list.

Sir,

In submitting herewith a list of the officials employed in the District and Taluk offices of the District, for doing clerical work connected with the Muzrai Institutions, as called for in your Circular Order No: 2396-403 Muz: 549-11-1 dated the 9th April 1912, I have the honor to state that the work of the Muzrai Branch in the District office has been increasing year after year, and has become too heavy to be attended to by a single clerk, which is all the establishment sanctioned for the District office. There is no opportunity

separate establishment sanctioned for the work in the Talukas; one of the Sarmastas in each Taluk attending to the Inamdai work in addition to his own Revenue work of the Taluk; and this arrangement has been the cause of much delay in the disposal of Inamdai papers. In the Kelamangala Taluk, one Sarmasta on Rs: 12/- per mensem has been sanctioned, for keeping the accounts of the Inam Villages endowed to the Siva Ganga Mutt and the Temple, the cost being met from the Sivaganga Mutt funds, as the Inam Villages of the Mutt and the Temple are under Government management. The Inamdai work of the other institutions in the Taluk is attended to by the Taluk Head Gumasta, in addition to his own Revenue work.-

To attend to the Inamdai correspondence satisfactorily and without delay, and to prevent

required accounts and registers correctly and efficiently, and to attend to the English and Vernacular correspondence, one Clerk on Rs: 30/-, in addition to the existing hand on Rs: 20/-, now working in the District office, and one Mukkoddy on Rs: 10/- or 12/- for each of the Talukas, is absolutely necessary. This fact has been brought to the notice of Government in the Annual Administration Reports of this District for the years 1908-09 and 1909-10.

I have the honor to be
Sir,
Your most Obedt: Servant,

Deputy Commissioner,
Bangalore District.
